2005-06 CalServe Partnership Grant Renewal Guidelines

Grant Overview

All CalServe Partnerships must complete a renewal application for 2005-06 funding. The funding amount for 2005-06 for each Developmental Partnership will remain at the same level as in 2004-05, and the required match will increase from 20 percent to at least 30 percent. Funding for Sustainable Partnerships will remain at the same level as in 2004-05, and the required match will be at least 60 percent of the total program budget. The funding year for this renewal will be September 1, 2004, through August 31, 2005.

Renewal Criteria

Satisfactory Progress

Funding for 2005-06 is not automatic but contingent upon availability of funds and satisfactory performance in achieving the outcome indicators described in the Local Educational Agency's (LEA's) 2004-05 grant application. CalServe will base decisions regarding continued funding on the quality of narrative provided in this renewal process, the January 2005 Semi-Annual Report, the 2004-05 Local Evaluation Report, and information obtained through other sources such as site visits. If there are issues or questions regarding the renewal application, your CalServe liaison will seek clarification from the partnership coordinator and negotiate a resolution.

Notification of 2005-06 Grant Award

CalServe intends to notify partnerships of grant renewals in August 2005. During the summer, partnership coordinators may be asked to provide additional information to their CalServe liaison in order to have a complete renewal application. Please provide a summer contact address, telephone number, and e-mail address for the partnership coordinator or someone familiar with the Renewal Application.

CalServe Grantees' Meetings

CalServe requires service-learning coordinators to attend at least two statewide CalServe coordinator meetings each year. A grantees' meeting is tentatively scheduled for October 2005 in Northern California. The annual CalServe Leadership Institute is scheduled for March 2006 to be held in Northern California. Each Partnership grantee is expected to bring a team of three to five members to this event and should include funding for travel expenses associated with these meetings in the budget and budget narrative.

Reporting Requirements

Grantees must comply with any state or federal reporting requirements. State requirements include a semi-annual progress report, a mid-year financial report, and an annual renewal application. Federal requirements include an annual data report to Learn and Serve America (LSA), known as Learn and Serve America Self Improvement Evaluation (LASSIE) on the number of student participants, grade levels, hours of service, number of participating schools, etc. Grantees must submit the LASSIE report by **June 30, 2005** using LSA's Online Project Description Form.

Local Evaluation and State Evaluation

Partnerships must provide an end-of-year local evaluation report that includes data and results on the outcome indicators of service-learning for students, teachers, schools, districts, and communities. Partnerships must also be willing to participate in state-sponsored evaluations to determine the impact of service-learning on students, schools and communities.

Coordinated Compliance Review (CCR) Process

Partnerships will participate in the California Department of Education's (CDE's) compliance monitoring process. Applicants should check with their district's CCR coordinator to determine the district's review cycle status.

Assistance to the State

All CalServe partnerships are expected to promote and advance service-learning. Some possible activities may include co-facilitating workshops and presentations with CalServe staff, and sharing knowledge and resources with other school-community partnerships that do not receive CalServe funds.

Participation in Regional Service-Learning Network Activities

Each partnership is required to participate in and support the activities of its Regional Service-Learning Network. Depending on the level of experience, participation and support may entail attending meetings and activities, facilitating discussions and making presentations on service-learning at events, or assuming an active leadership role in its region.

Technical Assistance

An information session will be conducted via telephone conference call from 9:00 a.m. to 10:00 a.m. on May 17, 2005. This method of disseminating information will allow our Developmental and Sustainable partners throughout the state to participate in the telephone conference session. The telephone conference session toll free call-in number is (888) 469-1665 and the participant pass code is 54761.

Visit the CalServe Web site or contact the CalServe consultants for additional assistance: Mike Brugh at mbrugh@cde.ca.gov or (916) 319-0543; or Terry Shorey at tshorey@cde.ca.gov or (916) 319-0227.

Application Deadline

Renewal applications must be received as an e-mail attachment by **July 15, 2005**, at m Bailey@cde.ca.gov. Additionally, the fully signed application must be mailed with a postmark on or before the same day.

Funding Terms and Conditions

2005-06 Estimated Funding

In 2005-06, the CDE CalServe Initiative is scheduled to receive approximately \$2.6 million from the Corporation for National and Community Service (CNCS), Learn and Serve America (LSA). Of that amount, approximately \$700,000 will be made available to support Developmental Partnerships and \$900,000 for Sustainable Partnerships. The Regional Network Program is budgeted at \$500,000. Please keep in mind that CalServe has not received a grant award notification, and as such, the figures below should be used only for preliminary planning purposes.

Developmental Funding (Examples)

CalServe Funding 05-06	Percent Match	Minimum Local Match based on the "Total" Program budget	Total Program Budget
\$30,000	30%	\$12,900	\$42,900
\$50,000	30%	\$21,500	\$71,500
\$80,000	30%	\$34,400	\$114,400
\$100,000	30%	\$43,000	\$143,000

Sustainable Funding (Examples)

CalServe Funding 05-06	Percent Match	Minimum Local Match based on the "Total" Program budget	Total Program Budget
\$30,000	60%	\$45,000	\$75,000
\$50,000	60%	\$75,000	\$125,000
\$80,000	60%	\$120,000	\$200,000
\$100,000	60%	\$150,000	\$250,000

Use of Funding

- Local partnerships may budget no more than 2.5 percent of their grant funds for indirect costs. The CNCS allows the state to use no more than 5 percent of the CNCS grant for indirect costs, and that percentage is shared between the CDE and the participating LEAs.
- Stipends, allowances, or other financial support may *not* be paid to any K-12 student participant except as reimbursement for transportation, meals, and other reasonable out-of-pocket expenses directly related to program participation. Minor expenses for identification of service-learning participants or recognition of excellent or outstanding participant service are allowed.
- CalServe grant funds may *not* be used to pay for food or refreshments other than associated with travel to service-learning activities included in this application.

- Adequate funds should be budgeted to support participation in one CalServe coordinators' meeting and the CalServe Leadership Institute (see page 2, CalServe Grantees' Meetings).
- At least 10 percent of the grant award must be set aside for evaluation and program quality assurance (see page 7, Evaluation, Accountability and Continuous Program Improvement).

Application Instructions

Please mail one original hard copy of your application to the following address postmarked on or before July 24, 2005:

California Department of Education
CalServe Initiative
1430 N Street, Suite 6408
Sacramento, CA 95814

Please e-mail one electronic copy to mbailey@cde.ca.gov, July 15, 2005.

Application Narrative

The Application Narrative must be no more than eight pages double-spaced, and consist of your **Progress-to-Date and Next Year's Plan**.

Progress to Date and Next Year's Plan (eight pages maximum): Please address the following six items in the Application Narrative, including a discussion of both progress-to-date and next year's plan for each item. The time period for the Progress-to-Date narrative is January 1, 2005, through August 31, 2005. Please estimate your June through August 31 items. The time period for Next Year's Plan is September 1, 2005, through August 31, 2006. Prior to completing this narrative, review your original application submitted to CalServe in March 2003, the Semi-Annual Report submitted in January 2005, the 2004-05 Local Evaluation Plan, and the attached CalServe Partnership Sustainability Continuum.

1. Vision and Policy

- State how the partnership's vision for service-learning is consistent with CalServe's Goal of having school districts provide one service-learning experience at each grade span for all students.
- Describe any critical issues or challenges the partnership has faced, and how you plan to overcome these challenges next year.
- Describe current school board policies or administrative directives in support of service-learning that have been established or are in development.
- Describe the partnership's work next year to achieve the overall vision policy goals for service-learning and identify measurable goals for each of the remaining two years.
- Describe key outcomes for Vision and Policy on Form E, Local Evaluation Plan for 2005-06.

2. High-Quality Service-Learning

- Based on the district's vision for service-learning and an analysis of current school, district, and community needs and capacities, describe how high-quality service-learning has been integrated into the district's instructional practice and will continue to be integrated in next year's plans.

- How has your partnership ensured that service-learning activities align with the five elements of the federal definition for service-learning?
- How have young people had a voice in determining community needs and service activities?
- How will service-learning be used as a strategy to teach and assess academic content standards and civic responsibility linking history, civics, and service?
- How will your initiative include opportunities for students from public and nonprofit private schools, and from diverse groups—age, race, gender, ethnicity, ability, economic background—to serve and study together? How will students from special and alternative programs learn and serve together?
- Using Form E, Local Evaluation Plan for 2005-06, describe key outcomes for High-Quality Service-Learning.

3. Training and Professional Development

- Describe how the partnership has executed the professional development plan presented in the original application. If new training needs have been identified, describe how they were identified and if they were met.
- How have youth, parents, and community partners been involved in the planning and participation in these events?
- Describe how the partnership has integrated service-learning into staff development activities provided by other programs in the district and/or the community.
- Using Form C, Summary of 2004-05 Professional Development Activities and Conference/Workshop Presentations, list activities and conference presentations that have or will have occurred between January 1 and August 31, 2005.
- Based on a needs assessment, recommendations from the local advisory committee and recommendations presented in the local evaluation report, describe next year's training and professional development plan for the partnership.
- Using Form E, Local Evaluation Plan for 2005-06, describe key outcomes for Training and Professional Development.

4. Organizational Design and Leadership Capacity

- Describe the partnership's (district and community) leadership and school site coordination structure and the effectiveness of this structure. If any changes have occurred, please explain.
- List specific examples of how the partnership's advisory committee has provided leadership, support, and resources.
- How will the partnership's leadership and organizational structure be expanded or changed in the next year? What new district and community partners will be added and what role will they play?
- How will the role of youth leadership in the district be expanded next year?
- Using Form D, Summary of Proposed Key Activities During 2005-06, list next year's proposed events and activities.
- Using Form E, Local Evaluation Plan for 2005-06, describe key outcomes for Organizational Design and Leadership Capacity.

5. Resource Development and Public Relations/Recognition Activities

- Describe your current funding (both cash and in-kind) and resource development strategies, such as collaborating with community agencies or institutions of higher education and forming linkages to other district or county initiatives.
- Describe the results of this year's public relations and recognition activities.
- Describe next year's plans to expand your partnership's funding and resource capacity.
- Describe next year's plans for public relations and recognition activities.
- Using Form E, Local Evaluation Plan for 2005-06, describe key outcomes for Resource Development and Public Relations/Recognition Activities.

6. Evaluation, Accountability and Continuous Program Improvement

The primary purpose of the local evaluation should be to inform the school board and the district advisory committee as they guide and promote the efforts of the partnership. The evaluation process should be led by a local evaluation team and focus on two key areas: (1) the benefits of service-learning for students, teachers/schools and community; and (2) the monitoring of progress toward district-wide implementation of service-learning. Both of these areas are critical to the integration of service-learning into the culture of a school-community.

- Describe how the Local Evaluation Team has shaped and supported the 2004-05 evaluation process.

- Referring to the Local Evaluation Report to be submitted June 15, 2005, describe how it was used to develop this renewal application and to monitor continuous program improvement.
- How will you revise or expand the roles, membership, and activities of the local evaluation team for next year?
- Using Form E, Local Evaluation Plan for 2005-06, describe key outcomes for Evaluation, Accountability and Continuous Program Improvement.
- Using Form F, Service-Learning Participant Data for 2005-06, indicate the numbers of individuals and organizations involved in your partnership.

Form A—CalServe Initiative Partnership 2005-06 Renewal Cover Page

Please complete this form, noting any changes in contact information or leadership for your partnership, and have it signed by your superintendent or designee.

Form B-1 or B-2—Budget

Before completing the budget, please review Funding Terms and Conditions. "Other" contributions may be cash or in-kind such as services and facilities (with a dollar value assigned). Applicants may use private, local, state, or federal funds (other than CNCS funds), or in-kind resources for the match requirement. Program (non-administrative) costs include certificated or non-certificated personnel for program coordination, and other costs directly attributed to the implementation of the service-learning initiative. Claims for local indirect costs may not exceed 2.5 percent. The difference between the LEA's standard indirect cost rate and the allowed 2.5 percent may be considered part of the local match requirement.

Budget Narrative:

Budget Narratives must not exceed three pages, single-spaced. Use the narrative to justify how the proposed budget expenditures will support high-quality, cost-effective service-learning activities described in the application narrative. The budget should not contain unexplained amounts for miscellaneous or contingency costs or unallowable line items such as student stipends or refreshments (see page 4, Use of Funding). The narrative should describe the basis used to estimate the total costs for each line item, and describe how each budget line item from Form B relates to the proposed program. Please provide specific information regarding roles, time base, salary of staff and consultants, and a clear description of services to be purchased. The budget should demonstrate evidence of, or ability to secure, the required match (30 percent for Developmental Partnerships and 60 percent for Sustainable Partnerships) for total program costs (total includes match). In addition, provide a brief description of non-CalServe funds and in-kind resources being used to support the K-12 service-learning initiative.

Form C, Summary of 2004-05 Professional Development Activities and Conference/Workshop Presentations

Provide a list of activities and conference presentations that have or will have occurred between January 1 and August 31, 2005.

Form D, Summary of Proposed Key Activities During 2005-06

Provide a summary of the key activities described in your narrative, and events that are representative of those that will be proposed over the third year of the grant. The purpose of the summary is to help the reviewers quickly understand the structure of the proposed initiative.

Form E, Local Evaluation Plan for 2005-06

Provide an evaluation plan that describes the kinds of evidence, strategies, and personnel that will document and report results of the end- and intermediate-outcomes described in each of the six application narrative sections.

Form F, CalServe Partnership Data for 2004-06

Provide CDE with the size and scope of the proposed CalServe Partnership. Estimate the number of participants and schools that will be involved in the proposed partnership during 2005-06.

CalServe Partnership Abstract (350-500 words)

Your CalServe Partnership abstracts will appear on CalServe's Web site and should be geared toward an audience that is unfamiliar with the demographics or other aspects of your partnership. Abstracts must be between 350 and 500 words in length.

Please include a short paragraph on each of the following items to appear in this order:

- Name and Overview: Your district/partnership name and a brief statement about the demographic and geographic characteristics of your district.
- Vision and Policy: An overall description of your district's vision and status of school board policy development for service-learning.
- Service-Learning Activities: Brief descriptions of the kinds of service-learning activities and focus areas found in the district.
- Community Partnerships: Description of key community partners' roles in supporting your efforts.
- Organizational Strategies: Description of innovative district and community organizational strategies that make service-learning work.
- Web site: If you have a Web site, please include the address so that we may establish a link from CalServe's Web site at <http://www.cde.ca.gov/cr/sl>.

CalServe Initiative Partnership Renewal Application Checklist

This checklist is included to help ensure that your application includes the necessary forms in the required order. The checklist is for the applicant's use and need not be submitted to CalServe.

All grant renewal applications must contain the following:

- ☐ **Form A:** CalServe Initiative Partnership 2005-06 Renewal Cover Page
- ☐ **Form B-1:** Sustainable Partnerships 2005-06 Budget or
- ☐ **Form B-2:** Developmental Partnerships 2005-06 Budget
- ☐ **Budget Narrative:** Three-page maximum (single-spaced)
- ☐ **Application Narrative:** Eight-page maximum (double-spaced) including the following components:
 - Progress to Date, and
 - Next Year's Plan
- ☐ **Form C:** Summary of 2004-05 Professional Development Activities and Conference/Workshop Presentations
- ☐ **Form D:** Summary of Proposed Key Activities During 2005-06
- ☐ **Form E:** Local Evaluation Plan for 2005-06
- ☐ **Form F:** Service-Learning Participant Data for 2005-06
- ☐ Cal Serve Partnership Abstract

Please mail an original hard copy of your application on or before July 15, 2005, and e-mail one copy as a file attachment by July 15, 2005, to Marilyn Bailey at MBailey@cde.ca.gov.

If you have any questions about the CalServe grant renewal application process, please contact your CalServe liaison by e-mail or by phone: Mike Brugh, mbrugh@cde.ca.gov, (916) 319-0543; or Terry Shorey, tshorey@cde.ca.gov, (916) 319-0227.

Form B-1 (Budget)**Sustainable Partnerships****2005-06 Budget**

On the Budget below, indicate expenditures in categories and include up to three pages of Budget Narrative that further detail how these funds will be used and the source of match from the LEA and other organizations.

Note: CalServe Sustainable Partnerships must demonstrate a local match of at least 60 percent of the total program budget (CalServe funds and match). Districts operating CalServe Partnerships are required to report expenditures in accordance with the object classification plan in the *California School Accounting Manual*. The use of these object codes will facilitate the preparation of budgets and the mid-year and year-end financial reports requested by CalServe. This budget page reflects typical service-learning expenditures. For guidelines and requirements on the appropriate use of funding, please refer to the CDE General Assurances and CNCS General Grant Provisions that are available on the CalServe Web site at <http://www.cde.ca.gov/ci/cr/sl>.

District:		CDS code:
